1 NDCC OPERATOR #2: How's it going,
2 [REDACTED]

3 SUPERVISOR #1: Pretty good. [REDACTED]
4 [REDACTED] up on a fire at the Cresta Dam.

5 NDCC OPERATOR #2: Okay.

6 SUPERVISOR #1: At fuse cut outs 17733
7 on the Bucks Creek 1101. Are you aware of that?

8 NDCC OPERATOR #2: Yeah. Our
9 supervisor just came down and told us about a
10 little veg fire up there.

11 SUPERVISOR #1: Correct. Cal Fire is
12 requesting that we open 941 de-energizing on the
13 source side of that.

14 NDCC OPERATOR #2: Okay. Let me look
15 that up real quick.

16 SUPERVISOR #1: (indiscernible) Okay.

17 NDCC OPERATOR #2: Okay. So they want
18 us to open that up right now?

19 SUPERVISOR #1: Yeah. And [REDACTED] is
20 stuck on Camp Creek Road behind the fire crew
21 truck --

22 NDCC OPERATOR #2: (indiscernible)

23 SUPERVISOR #1: -- so he can't get out.

24 NDCC OPERATOR #2: Okay.

25 SUPERVISOR #1: He's (indiscernible)

1 right now.

2 NDCC OPERATOR #2: Okay.

3 SUPERVISOR #1: So I just called
4 dispatch to run ARCOS [Automated Roster Call-Out
5 System] for another troubleman.

6 NDCC OPERATOR #2: Okay.

7 SUPERVISOR #1: And I'm going to head
8 that way.

9 NDCC OPERATOR #2: Okay. Do you want
10 me -- do you want to call me when you get to 941
11 or can I --

12 SUPERVISOR #1: (indiscernible)

13 NDCC OPERATOR #2: Okay. I'll just
14 give you -- I'll just give you permission now, if
15 that's okay.

16 SUPERVISOR #1: Okay. But someone
17 might get there before me, so...

18 NDCC OPERATOR #2: Oh, okay. All
19 right. I'm trying to think here, if someone gets
20 there before you. If someone gets there before
21 you, you'll give us a call? Or do they know
22 about that switch?

23 SUPERVISOR #1: Yeah. I gave that
24 instruction to the dispatcher.

25 NDCC OPERATOR #2: Okay. I guess I'll

1 just wait for someone to call us when they get
2 there.

3 SUPERVISOR #1: Okay.

4 NDCC OPERATOR #2: Okay.

5 SUPERVISOR #1: Thanks.

6 NDCC OPERATOR #2: Bye. Thanks, [REDACTED]
